David Kamp, FASLA, LF, NA speaks at Metro Hort

New York, NY – January 28, 2013 – David Kamp, FASLA, LF, NA, President and Founder of Dirtworks, PC, will speak at the Metro Hort Group on February 13, 2013. Metro Hort Group provides a networking forum for horticulture professionals practicing in the greater New York City tri-state region.

The presentation, “An Expanding Horizon – Gardens for Everyone,” will explore the challenges of accommodating the special needs populations and the needs of all visitors in a context that enhances everyone’s enjoyment. David will use the Elizabeth and Nona Evans Restorative Garden at the Cleveland Botanical Garden (CBG) as an example of a garden that accommodates the full range of the human condition. The garden is featured in “*GardenStory: The Healing Gardens of David Kamp*,” a ten-part documentary series on public television focusing on the way gardens transform our lives and communities.

About Dirtworks, PC (www.dirtworks.us)

Dirtworks, PC is an internationally recognized and award-winning landscape architecture firm. Its designs enhance the restorative quality of the natural environment. The firm, founded in 1995 by David Kamp, FASLA, LF, NA, provides clients with the creativity and technical knowledge essential to project design and site planning. Dirtworks, PC provides a full range of professional services with a staff of technically trained and design-oriented landscape architects.

About the Metro Hort Group (<http://metrohort.org>)

Metro Hort Group, Inc. is an association of horticulture professionals practicing in the New York City and tri-state region. Its members are active in the worlds of public and private horticulture; as landscape architects, designers, arborists, growers, educators, contractors, garden writers and every specialty in between.
